COLLECTION PROCEDURE

It is vital that you notify the Treehouse if your child is being collected by anyone other than those people authorised on the record sheet. Children will not be permitted to leave the centre with anyone for whom authorisation has not been given. Please ensure your child is collected promptly and telephone the Centre if any delay is envisaged. An additional charge of £5.00 per child will become applicable for collections more than 15 minutes after the Centre closes.

Please ensure that the chain on the external gate is replaced upon entering and departing. The front door needs to be closed at all times unless the children are at play outside (green flag).

ACTIVITIES

The following activities are provided on a regular basis throughout each week:-

Art and Craft, Table Tennis, Park Outings, Large Construction Toys, Board Games, Cookery, Pool, CDT, Computers, Table Football, Wii and Computers.

Alongside these are outings to the Cinema, Skating, Swimming, Bowling, Drama/Puppet/Circus Skills Workshops, Theme Days, Orienteering and Day Trips to various places such as the Dinosaur Park, Wildlife centres and Pleasurewood Hills.

There is a large main room which is subdivided for different activities and a smaller room for quieter pursuits such as reading, homework or individual craft. We also have a kitchen which is used for cookery and group craft sessions.

There is a large play area outside with a concrete area for bats, balls, sand and water play area outside and a grassed area with a climbing frame and Treehouse. At the back of the building is Gildencroft Park which is regularly used for outings to enable the children to play rounders, football or cricket and to access a

variety of equipment.

The children are encouraged to take personal responsibility for their actions and to respect each other, the staff and the equipment within the building. The atmosphere of the centre is informal and recreational whilst also maintaining a clear code of conduct.

Many of the activities are mixed in age range but some are specific to either those children aged 4 - 7 years or those aged 8 - 14 years. Designated staff members works with each activity and age range to provide close support for the children.

As the children become older they are entrusted with greater independence to prepare them for adolescence and adult life. You are always welcome to discuss any matter pertaining to your child with the staff.
